

Banking  
Manager  
**Kontenzugriff**

1. Administration
2. Kontenzugriff
3. Konto einblenden
4. Konto ausblenden

The screenshot shows the BankingManager Testversion application interface. On the left, a vertical navigation menu is displayed under the heading "Administration". The menu items are: Benutzerverwaltung (selected, indicated by a blue dot), Kontenzugriff (highlighted with a red arrow labeled "2"), Voreinstellungen, and Mandantenverwaltung. To the right of the menu, the main content area is titled "Kontenzugriff". It lists accounts with their names and status: "VR Bank Girokonto" (Aktiv) and "Maxi" (Aktiv). Each account entry includes a "Zugriff" (Access) toggle switch. The "VR Bank Girokonto" switch is turned on (blue), while the "Maxi" switch is turned off (grey). Red arrows labeled "3" and "4" point to the "Zugriff" switches for the two accounts respectively. At the bottom of the navigation menu, there are three small icons: a gear, a user profile, and a question mark.

Name	Zugriff
VR Bank Girokonto Aktiv	<input checked="" type="checkbox"/> 3
Maxi Aktiv	<input type="checkbox"/> 4
